Article Submission Guidelines

Email is preferred, Microsoft Word, or if done in some other software, save in a text-only format. We can not accept articles saved as a PDF.

Each article must be submitted with a title, an author byline and include author's title and work location. If available, please submit author's headshot. We can only accept images that are hi resolution (300 dpi or larger) saved as a jpeg, tiff or eps. Space permitting, we will try to include headshots with accompanying articles.

IGE Media may make any editorial changes to content or format of the work without the consent of author. Complete guidelines for submitting articles can be found online at www.medicalnews.md.
